

## **APPENDIX B**

### **Quality Policy**

It is the policy of Renoco Engineering Ltd to provide products and services that meet the requirements of the Customer as detailed in the scope of this quality manual and any applicable legal requirements.

**Renoco Engineering Ltd have developed a quality management system to meet the requirements of ISO 9001:20015 and BS EN 1090 that will provide a framework to ensure it:-**

- Is committed to ensuring that Customer requirements are achieved on a consistent basis.
- Provides a framework for setting and reviewing quality objectives and targets.
- Demonstrates a commitment of top management to provide resources to ensure that the requirements of ISO 9001:2015 are maintained.
- Achieve Customer satisfaction
- To provide technical backup for the customer and a customer care approach that reflects the commitment to on-going quality.
- To review the quality policy and objectives for ongoing suitability during regular management review meetings.
- The policy is communicated and understood throughout the company.

The policy is approved by the Directors and is supported by all employees.
